Pressestimmen

An infectiously larky extraterrestrial invasion movie that respects the genre conventions while spicing the brew with distinctive local flavor.

HOLLYWOOD REPORTER

This film from the producers of "Shaun of the Dead" is a sprint through mean streets with minimal but very effective special effects.

ORLANDO SENTINEL

Brit comedian-TV presenter Joe Cornish emerges fully formed as an exciting new writer-helmer with his enormously appealing debut feature.

VARIETY

Cornish has made a very accomplished debut; an exuberant genre mash-up, part sci-fi, part action movie, part comedy, executed with tremendous energy and flair.

UNCUT MAGAZINE UK

Attack The Block is fun, complex, scary, gory, hilarious and thrilling.
